Wm J. C. Collier -

Dear Cousin.

I have been anxious to hear from you, as you wrote last that you were not feeling well. Can't you rest long enough to come to see me? I met Mr Hunt a methodist minister the other day. Some one had told him I was related to you and he said. he went to school with you and your wife. he spoke highly of you, he seems to be a good man + stands well here. he has a home

in the country a few miles from town. We had a fine rain day before yesterday or which was much needed as we've had a considerable drought. Fruit is not as large as it should be, on account of it. I have been sick nearly all the year. Have had a cold ever since Xmas. Get better, and take more. I try to take care of myself because I'm old. But some how I dont succeed. I hope you have recovered entirely from your indisposition by now. Write and tell me all about your family. I

am cranky about my Riv-
folks. Enjy now and then
I get the three childrens
pictures and look at them
They are darlings. Cousin
I thank you so much for
the check you sent me.
God will certainly repay
you for your Kindness to
me. I Can't only in thanks
and prayers. There has
been a good deal of Sick-
ness here. Not from no lo-
cal cause just poor suf-
fering old people answering
the last call. To come up
higher. Hope to hear from
you soon. Love to you all
affectionately, Mary Lou Sharman
